Sir:

MEMORANDUM OF INTERVIEW

The courtesies extended to Applicant's attorney during the telephone interview on January 4, 2005 are sincerely appreciated.

During this interview Applicant's attorney suggested certain amendments which might place the case in condition for allowance. The Examiner stated that he would have to review the art and possibly make a new search. He further indicated that this would be awkward in view of the facts that the case is under final rejection. Applicant's attorney stated that he would file a Request for Continued Examination concurrently with this amendment which will give the Examiner sufficient time to fully reconsider this application.

¹ This paper accompanies a Request for Continued Examination, filed concurrently herewith.
